Lovette T. Robinson, CDR, NC, USN  
**SPONSORED BY**  
Armed Forces Institute of Pathology  
American Registry of Pathology  
Armed Forces Medical Examiner System  
Fair and Balanced

- Define the roles of each member of the Sexual Assault Response Team
- Describe forensic evidence collection methodology and rationale
- List injury patterns found on the victim of sexual assault
- Describe the Rape Trauma Syndrome
- Describe the role of the Sexual Assault Nurse Examiner/ Sexual Assault Forensic Examiner in the judicial process
- List the requirements of the preceptorship for SANE certification
- Differentiate between deviant sexual behavior and criminal sexual behavior
- Describe how to conduct a medicolegal examination for a sexual assault/abuse victim

**COURSE OBJECTIVES**

By attending this course, participants will be able to:

Lectures will provide medicolegal insight to identify and preserve the biological, psychological and social health of the survivor of sexual assault or abuse. This program also satisfies the International Association of Forensic Nurses (IAFN) national standard requirements for the didactic component of the Sexual Assault Nurse Examiner (SANE) certification process. A separate clinical preceptorship must be completed in conjunction with the didactic portion in order to sit for the SANE certification exam. Requirements for the clinical preceptorship will be covered in the program.

This program is designed for health care personnel (officer, enlisted and civilian) desiring education and training in performing sexual assault examinations. In addition, chaplains, investigators, law enforcement, mental health care workers, sexual assault victim advocates, and persons from other disciplines who wish to have an increased understanding of the sexual assault examination, and to provide a multidisciplinary approach to sexual assault care and the medicolegal process may attend. This course will include laboratory sessions to introduce sexual assault forensic examination techniques, forensic photography, documentation and physical evidence collection.

**COURSE DESCRIPTION**

**COURSE LOCATION**

The course will be held at the Marriott Bethesda Hotel, Bethesda, Maryland. *Rooms have been reserved at a special reduced rate of \$201 single/double or the prevailing government per diem until 21 March 2008.* Reservations received after this date will be filled on a space available basis. When contacting the hotel to make your reservation, inform them that you are attending the **Sexual Assault Response Team Training Program**.

Complimentary shuttle service to downtown Bethesda, Medical Center Metro stop, and White Flint Mall is provided by the hotel from 6-11 pm.

- 5:15 - 5:30 Conclusion and Evaluation  
*Susan Hanshaw, Col, USAFR, NC*

## ACCREDITATION STATEMENT

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of the Armed Forces Institute of Pathology and the American Registry of Pathology. The Armed Forces Institute of Pathology is accredited by the ACCME to provide continuing medical education for physicians and takes responsibility for the content, quality, and scientific integrity of this CME activity.

The Armed Forces Institute of Pathology designates this educational activity for a maximum of 40 AMA Physician's Recognition Award Category 1 credit(s). Physicians should only claim credit commensurate with the extent of their participation in the activity.

**Nurses and Nurse Practitioners:** Contact hours for nurses have been applied for and are pending approval through the Maryland Nurses Association. Upon course completion, participants will be awarded up to 40 contact hours.

**Nurse Midwives:** ACCME credits in Category 1 are accepted by the Continuing Competency Assessment Program of the American College of Nurse Midwives (ACNM) for programs relevant to nurse midwifery. Nurse midwives attending this course may report up to 40 credits for each conference.

## DOCUMENTATION OF CREDITS

All participants are provided a letter of attendance at the completion of the course. This document is acceptable by the IRS, AMA, and state medical societies as proof of attendance at the course. A \$10 administration processing fee will be charged for each additional request for documentation of CME credits.

## NON-US CITIZENS

Non-US citizens must, PRIOR TO THE COURSE, mail or fax a complete registration form along with one of the following: (1) a clear copy of the first two pages of your passport with number showing, (2) a clear copy of your green card with number showing, or (3) a clear copy of your visa and the DS-2019 form. Failure to provide this information will result in your being unable to attend the course. You may receive the syllabus and related material, but no refunds.

#### Send to:

Department of Medical Education  
Armed Forces Institute of Pathology  
14th Street & Alaska Avenue, NW  
Washington, DC 20306-6000  
Fax: (202) 782-5020

If you are sponsored by an ECFMG organization, please verify your status as current and active by including a letter from the program director with your registration form.

If you are affiliated with your country's government/military, please write to the Office of the Surgeon General, DASG-HCZ-IP, 5109 Leesburg Pike, Falls Church, Virginia 22041-3258 [FAX: (703) 681-3429] and provide: (1) a copy of the application from the course announcement and (2) a letter from your personnel office certifying full-time employment.

All non-US citizens must make checks or International Money Orders payable to the **American Registry of Pathology**. All payments must be in US dollars and be accompanied by the course application. Send to the Department of Medical Education at the Armed Forces Institute of Pathology, Washington, DC 20306-6000.

## US CITIZENS

US citizens must provide, PRIOR TO THE COURSE, a clear copy of your birth certificate or the first two pages of your passport. Failure to provide this information will result in your being unable to attend the course. You may receive the syllabus and related material, but no refunds.

## REGISTRATION

**Tuition is \$800.** If two or more attend from the same facility, the **fee is \$700.**

Active-duty US military, Department of Defense civilians, full-time permanent Department of Veterans Affairs employees (not residents or fellows), and commissioned officers of the US Public Health Service with authorized approval have a **registration fee of \$600.** If two or more active-duty military attend from the same facility, the **fee is \$500.**

An administrative fee of \$100 per registrant will be deducted for cancellation. **Refund requests must be received in writing one week prior to the course.** No refunds will be made thereafter.

Course fees are payable by check or money order to the American Registry of Pathology or by VISA, MasterCard, or American Express and are due at the time of enrollment. To register by mail, complete the form and send it with payment to the Department of Medical Education at the AFIP. To register by telephone, fax, or Internet, credit card payment is required.

Audiotaping or videotaping is prohibited. It is the policy of the Armed Forces Institute of Pathology that the provider and faculty/presenters disclose any significant financial or other relationships with commercial companies whose products may be discussed in the activity, or the commercial supporters, if any. The Armed Forces Institute of Pathology also requires that faculty disclose any unlabeled use or investigational use (not yet approved for any purpose) of pharmaceutical products and medical devices. Specific disclosure will be made to the participants prior to the educational activity.
